Schedule of Services

- This sample schedule is an abbreviated list taken from the full Careington Care POS Series fee schedule and applies to services provided by a participating general dentist. The purpose of this schedule is to establish the maximum fee that a general dentist will charge for each listed procedure. Participant is responsible for full payment of all charges at the time of service.
- Your participating provider will have a complete fee schedule, or you may request one by calling **(800) 290-0523**.
- Participating Specialists (Board Certified or Advanced Degree) do not charge according to a fee schedule. Participating Specialists will give a 20% discount off of their normal fees.
- **Discount plans are not insurance**

Exclusions and Limitations

1. Fees subject to change.
2. The dollar amount specified adjacent to each procedure may not be the only cost incurred for a given treatment - many treatments may require more than one dental procedure. Please consult your Careington provider for a detailed treatment plan prior to beginning any work.
3. Careington can not guarantee the continued participation of any dentist. If the dentist leaves the plan, you will need to select another participating Careington provider. Not all types of dentists may be available in your area.
4. It is the Member's responsibility to verify that the dentist is a participating Provider before seeking any treatment. Any dental procedures performed by a non-participating dentist are not discounted and are charged at the dentist's normal fees.
5. **While all participating Careington providers are professionally licensed in the state in which they practice, Careington does not guarantee the quality of service of the providers. Any quality of care concerns involving any participating Careington provider should be directed in writing to: Careington International, Attn. Provider Relations, PO Box 2568, Frisco, Texas 75034. Please call 800-290-0523 if you have any further questions.**
